FOR IMMEDIATE RELEASE

**THRUSH[®] LAUNCHES NEW, HEAD-TURNING
BRIGHT RED ‘MAD HOT’ PERFORMANCE MUFFLERS**

LAS VEGAS, Tues., Nov. 1, 2011 – The Thrush[®] brand turns up the heat with the release of new **Thrush Mad Hot** performance mufflers. The new Thrush Mad Hot mufflers are available now at performance retailers nationwide.

Since 1966, Thrush products have been “making hot rods hotter.” Thrush products are manufactured and marketed by Tenneco Inc. (NYSE: TEN).

The fully-aluminized mufflers feature a tri-flow design that enhances exhaust flow and vehicle performance and are finished in a show-stopping, high-gloss red powder coat finish.

Thrush Mad Hot mufflers are available in a variety inlet and outlet configurations, including 2.25-, 2.5-, 3-in. inlet and outlets, and a variety of lengths, allowing them to fit on a wide variety of modern and classic muscle cars and other vehicles. Thrush Mad Hot mufflers are reversible for maximum flexibility.

For more information about Thrush exhaust pipe kits, systems, mufflers or other performance exhaust components, please call **1-734-384-7806**, contact your nearest performance exhaust dealer or visit www.thrushexhaust.com.

Tenneco is a \$5.9 billion global manufacturing company with headquarters in Lake Forest, Illinois and approximately 22,000 employees worldwide. Tenneco is one of the world’s largest designers, manufacturers and marketers of emission control and ride control products and systems for the automotive and commercial vehicle original equipment markets and the aftermarket. Tenneco markets its products principally under the Monroe[®], Walker[®], Gillet[™] and Clevite[®] Elastomer brand names.
