THRUSH[®] LAUNCHES VERSATILE NEW PERFORMANCE EXHAUST PIPE KITS

***Brand-New Thrush Pipe Kits Offer Versatility for Value-Driven Modifications,
Plug-N-Play Muffler Options Available for Several Applications***

LOS ANGELES, Tues., Jan. 19, 2010 – The Thrush[®] brand has released a brand-new type of exhaust kit – **Thrush[®] Pipe Kits[™]** – that deliver the ultimate combination of vintage Thrush appeal, value and performance to Camaros, Mustangs, Firebird and Jeeps. Including all of the necessary pipes – routed to fit each specific application – and hardware, Thrush Pipe Kits can be finished with the consumer's choice of Thrush mufflers, including a Thrush Turbo[™], Thrush Welded[™] or Thrush Welded SS[™] muffler.

A popular choice among muscle car enthusiasts, Thrush exhaust is a performance and value exhaust brand of Tenneco Inc. (NYSE: TEN).

The new Thrush Pipe Kits – available for six applications – come complete with all of the pipes and hardware necessary for the vehicle. Each kit features entirely slip-fit construction plus handy, easy-to-follow installation instructions. Available at hundreds of performance exhaust retailers nationwide, the new pipe kits are available for the following vehicle models:

1983-92 Chevrolet Camaro/Pontiac Firebird (p/n 89033)

1987-93 Ford Mustang GT 5.0L (p/n 89032)

1993-95 Jeep Cherokee 2.5L, 4.0L (p/n 89031)

1996-2000 Jeep Cherokee 2.5L, 4.0L (p/n 89030)

1987-1996 Jeep Wrangler 2.5L, 4.0L (p/n 89029)

1997-2000 Jeep Wrangler 2.5L, 4.0L (p/n 89028)

Enthusiasts can add their choice of a Thrush Turbo, Thrush Welded or Thrush Welded SS muffler to complete the Thrush Pipe Kit.

Thrush Turbo mufflers utilize an internal tri-flow design that's fully reversible and provides the classic Thrush sound.

Thrush Welded mufflers and **Thrush Welded SS mufflers** are fully welded, two-chamber mufflers that produce a unique, aggressive tone. The Thrush Welded mufflers are silver-painted aluminized steel. Enhancing durability and strength, Thrush Welded SS mufflers are highly polished 304 stainless steel.

For more information about Thrush exhaust pipe kits, systems, mufflers or other performance exhaust components, please call **1-734-384-7806**, contact your nearest performance exhaust dealer or visit www.thrushexhaust.com.

Tenneco is a \$5.9 billion manufacturing company with headquarters in Lake Forest, Illinois and approximately 21,000 employees worldwide. Tenneco is one of the world's largest designers, manufacturers and marketers of emission control and ride control products and systems for the automotive original equipment market and the aftermarket. Tenneco markets its products principally under the Monroe[®], Walker[®], Gillet[™] and Clevite[®] Elastomer brand names.
